## Without the hassle

[Get Started](#)

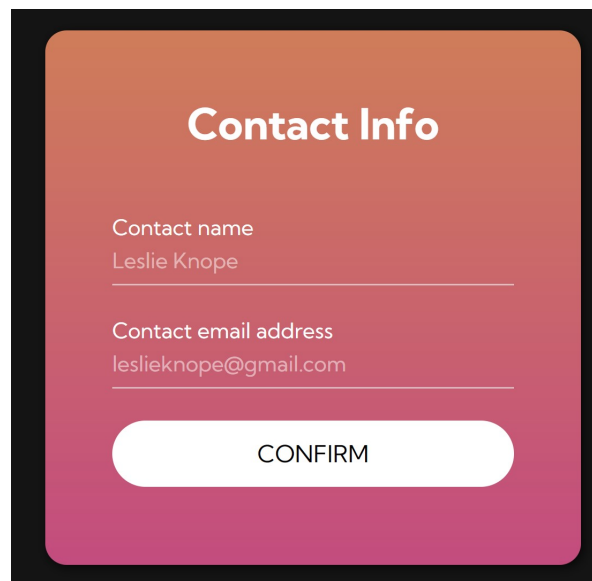

**Do away with the tedious back-and-forth typically associated with scheduling meetings.**

**Get started by registering for an account, then log in.**

A screenshot of a 'Register' form with a pink-to-orange gradient background. The form includes fields for First name (John), Last Name (Smith), Username (johnsmith), Email (johnsmith@gmail.com), Password (masked with dots), and Confirm Password (masked with dots). A white 'SIGN UP' button is centered below the fields. At the bottom, there is a link: 'Already Have An Account? Sign In'.

Create some contacts under the "Contacts" tab.  
You'll need them to create meetings.

Add your contacts to a meeting.

The screenshot shows a dark-themed interface titled "Add meeting contacts". At the top is a search bar with the placeholder text "Search for a contact here." and a "Search" button. Below the search bar are four rows, each representing a contact. Each row has a blue pill-shaped button with the text "Added [Name]" and a "Required" button with an "X" icon. The contacts listed are Anya Forger, Loid Forger, Collin - Personal, and Yor Forger. At the bottom of the form is a white button labeled "PROCEED TO EVENT DETAILS".

Enter your meeting details and press "Create Meeting".

The screenshot shows a dark-themed interface with two main sections. On the left, titled "Current meeting contacts", there are four blue pill-shaped buttons indicating that contacts have been added: "Anya Forger has been added", "Loid Forger has been added", "Collin - Personal has been added", and "Yor Forger has been added". Below these is a white button labeled "RETURN TO CONTACTS PAGE". On the right, titled "Meeting Details", there are several input fields: "Meeting name" (Government Meeting), "Meeting description (Optional)" (Meeting to discuss government details), "Meeting start" (11/29/2022) and "Meeting deadline" (12/02/2022) with calendar icons, "Duration - Hours" (1) and "Duration - Minutes" (00), and "Meeting link/location (Optional)" (Zachary 473A). At the bottom of this section is a white button labeled "CREATE MEETING".

Give Google permission to access your calendar event.

The screenshot shows a Google sign-in screen. At the top is a "Sign in with Google" button. Below it is the text "Choose an account to continue to django-smart-scheduler.herokuapp.com". There are two options: a profile picture of Collin Bennett with the email collinbennett@tamu.edu, and a "Use another account" option with a person icon. At the bottom, there is a language selector set to "English (United States)" and links for "Help", "Privacy", and "Terms".

Email invites will be sent to the participants. They can decide if they want to accept or decline.
